To Whom It May Concern,

With great pleasure I recommend to you Trace Robinson, one of Santa Barbara's most respected horticulturists. As a landscape contractor and designer, as an events planner, and as a creator of beauty, Trace is renowned for her high standards, aesthetic gifts, her gardens and original floral arranging in Santa Barbara.

One of Southern California's most sought after floral designers, Trace brings enthusiasm and originality to every project. Signature arrangements in public rooms of hotels and restaurants have contributed to Santa Barbara's reputation as an oasis of beauty. Her lectures on the subject are sold out and her work in private gardens and events are considered artistic highlights of the year.

Whether she landscapes gardens or designs floral arrangements, it is a privilege to number Trace Robinson as one of the city's attributes. Feel free to contact me if you'd like to know more about Trace.

Sincerely,

Marianne Partridge
